

Catie Triviski

I have been working in the human services field for over 13 years in a variety of roles; direct support professional, managing assisting living and residential housing facilities, and now a support planner with AB&B Services. I have a bachelor's degree in Family Social Science from the University of Minnesota. When I'm not working, I enjoy spending time with my 3 little girls and my husband, hiking, kayak-ing and traveling.
