

Erika Schuster

I started with AB&B in spring 2022. I graduated from Minnesota State University with my degree in Social Work. I have 20 years of experience in health and human services, 10 of which were as a program manager for a group home, and I have over 3 years of experience in working as an FMS provider. In my free time I enjoy spending time with my dog, my friends, and traveling anywhere with a beach.
