

Cassie Schultze

Hello! I am Cassie and I have been a support planner with AB&B Services since July of 2016. I have a bachelor's degree in Early Childhood Education with an emphasis in Special Education. I am passionate about working with those who have special needs and have over five years' experience working as a PCA for children and young adults with disabilities. In my spare time, I enjoy being with my husband and family, playing volleyball, and baking. I absolutely love the people I work with and cannot imagine my life without them!
