Hello! I'm Crystal! I have been working in Human Services since 2006 and have had roles in direct support, management, and social work. I have two degrees; one in education and one in human services and am currently finishing my Master's degree in Forensic Behavioral Health at Concordia University. When working, I enjoy spending time with my family including my husband, son, our two cats and two very large dogs. I enjoy kayaking, going to concerts and decorating.
