

# Kayla Price

I have been working with AB&B as a Support Planner since August of 2019. I have over 15 years of experience in health and human services, seven of which were as a Case Manager serving individuals with developmental disabilities and mental health needs. I graduated from Minnesota State University in 2012 with a degree in Special Education and in 2014, I received my Master's Certificate in Autism. In my free time, I enjoy spending time with my husband and our two children, traveling, gardening, shopping, and cycling.
