

Kristyn Vinkemeier

I have been a Support Planner with AB&B Services since early 2015. I graduated from Minnesota State University, Mankato in 2010 with a Bachelor's degree in Social Work. I have been a licensed Social Worker since 2010 and have worked in this field for over 15 years. Additionally, I have over 10 years experience as a county case manager, working as a family facilitator, working with individuals and their families as a direct support professional and supervising group home and in-home services. When I am not working, I enjoy spending time with my husband and three kids, playing and coaching volleyball, hiking, going to the gym and reading.
