I have always had a passion for social work and have been working in the field for over 12 years in a variety of roles. I have 6 years' experience working directly as a waiver case manager covering all waiver types. Additionally, I have experience working as a direct support professional and working as a MnCHOICES assessor. I graduated from St. Cloud State University with a bachelor's degree in Social Work with a double minor in Human Services and Psychology. In my free time, I enjoy spending time with family and friends, traveling, venturing to new restaurants, and loving on my fur babies!
