

# Melanie Gorans

Hello! My name is Melanie. I have been working in the Social Services field for the past 16 years. I have worked in residential settings, employment and spend over 3 years working for an FSE. I graduated with degrees in History and Economics and the another in Psychology. I am thrilled to be a part of the AB&B team. I started with the agency in June of 2018 and am thoroughly enjoying the world of support planning. In my spare time I enjoy spending time with friends and family, spending time at the lake and playing with my pets.
