

Adrienne Lanz

I've been a support planner with AB&B since 2022. I've worked in the human services field for over ten years, most recently as a case manager in Minneapolis and a special education teacher in Denver, CO. I am currently attending the University of Minnesota as a Master of Social Work graduate student, with a focus on clinical mental health. Outside of work, I love to read, spend time in nature with my dog, Buffy, and tend to my garden.
